**Judul:** The TQM Journal - Decision on Manuscript ID TQM-04-2022-0132.R1  
19-Sep-2022

Dear Willar, Debby; Trigunarysyah, Bambang; Dewi, Anak Agung ; Makalew, Febriane

It is a pleasure to accept your manuscript TQM-04-2022-0132.R1, entitled "Evaluating quality management of road construction projects: Delphi study" in its current form for publication in The TQM Journal. Please note, no further changes can be made to your manuscript. Although you can add the missing reference at the proof stage.

Please go to your Author Centre at <https://mc.manuscriptcentral.com/tqm> (Manuscripts with Decisions for the submitting author or Manuscripts I have co-authored for all listed co-authors) to complete the Copyright Transfer Agreement form (CTA). We cannot publish your paper without this.

All authors are requested to complete the form and to input their full contact details. If any of the contact information is incorrect you can update it by clicking on your name at the top right of the screen. Please note that this must be done prior to you submitting your CTA.

Please note: If the submitting author has completed their form, we may proceed without the co-authors signed form. If this is the case, the co-author will not be able to complete the form.

If you have an ORCID please check your account details to ensure that your ORCID is validated.

By publishing in this journal your work will benefit from Emerald EarlyCite. As soon as your CTA is completed your manuscript will pass to Emerald's Content Management department and be processed for EarlyCite publication. EarlyCite is the author proofed, typeset version of record, fully citable by DOI. The EarlyCite article sits outside of a journal issue and is paginated in isolation. The EarlyCite article will be collated into a journal issue according to the journals' publication schedule.

**FOR OPEN ACCESS AUTHORS:** Please note if you have indicated that you would like to publish your article as Open Access via Emerald's Gold Open Access route, you are required to complete a Creative Commons Attribution Licence - CCBY 4.0 (in place of the standard copyright assignment form referenced above). You will receive a follow up email within the next 30 days with a link to the CCBY licence and information regarding payment of the Article Processing Charge. If you have indicated that you might be eligible for a prepaid APC voucher, you will also be informed at this point if a voucher is available to you (for more information on APC vouchers please see <http://www.emeraldpublishing.com/oapartnerships>)

Thank you for your contribution. On behalf of the Editors of The TQM Journal, we look forward to your continued contributions to the Journal.

Sincerely,  
Prof. Alexander Douglas  
Editor, The TQM Journal
